1. [redacted] Comment. Units of the 6th Gds Pocz Div were repeatedly reported being unloaded during this period. [redacted]
2. [redacted] Comment. Possibly advance parties of units of the 19th Gds Pocz Div which went to Magdeburg on 6 October. However, they probably came from Camp Iorn. 4. [] Comment. [] units of the 7th Gds
 25X1 Mecz Div were unloaded on 9 October coming from Lieberose and that elements
 25X1 of the 84th Gds Lv Tank BP Regt entered the Horn Kaserne. []
 25X1 The T-34 tanks mentioned in the present report are believed to have been JS
 25X1 tanks or BP guns. The train on 13 October probably had Fuerstenwalde for its
 25X1 destination. []
 25X1 The hutment near the Horn Kaserne is known as a processing camp for the exchange
 25X1 of personnel. A central office to send the recruits on to East Germany is
 25X1 probably located in Frankfurt/Oder.
5. [] Comment. Source probably saw the field exercises of the units of the
 25X1 Fourth Gds Mecz Army which took place in the area south and east of Rathenow
 25X1 during the period from 4 to 10 October. These units were previously reported
 25X1 returning to their posts by several sources. []
6. [] Comment. [] three trains carrying units of the 25th
 25X1 Tank Div which, according to [] the 5th Subdistrict Office of the
 25X1 Berlin Regional railroad headquarters were dispatched to Prenzlau from the
 25X1 training area of the Fourth Gds Mecz Army east of Rathenow on 9 and 10 October.
 25X1 [] The first train possibly carried units of the unidentified
 25X1 mortar regiment of the above mentioned division.
7. [] Comment. With the exception of the Delius Kaserne Sued, the occupation
 25X1 of the barracks installations in Potsdam indicates no changes over the last report.
 25X1 [] The return to the Delius Kaserne Sued of units of the
 25X1 unidentified gun artillery brigade of the 34th Arty Div (GS) was indicated in
 25X1 [] the Berlin regional railroad [] which showed that the
 25X1 units of the division not involved in the field exercises moved in two trains
 25X1 from Altengrabow to Wildpark on 9 and 10 October. []
8. [] Comment. []
 25X1 Although somewhat out of the ordinary, the retransfer of units of the Fourth
 25X1 Gds Mecz Army via Neuruppin is possible from Rathenow via Heustadt on the Dosse
 25X1 River. It cannot be determined, if the trains went to Oranienburg, Prenzlau,
 25X1 Templin or Eberswalde.
9. [] Comment. The recruits probably came from Neustrelitz and were destined for
 25X1 the 12th Gds Tank Div. [] transportation indicated that shuttle-train []
 25X1 went from Neustrelitz to Neuruppin on 10 October. []
